B. S. NARASINGA RAO,
Executive Engineer.

SHIMOGA DIVISION.

Abstract Notification.

The attention of the public is drawn to the notification calling for tenders for extension of McGann Hospital at Shimoga published in pages 768-770 Part VI in the *Mysore Gazette*, dated 11th April 1940.

Tenders will be received by the Executive Engineer, Shimoga Division up to 3 P.M. on 27th of April 1940.

Earnest money required for the work is Rs. 1,720 which should be credited to the Treasury to 17 (*a*) P. W. Deposits and challan enclosed.

Notification dated 9th April 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer Shimoga Division, up to 3 P.M. on 4th May 1940, for restoring Horabyle tank (minor) near Konandur Agrahar Lobli, Tirthahalli Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1940.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Shimoga Division, between the hours of 11 A.M. and 5 P.M.

3. Tender should be submitted on printed forms which may be obtained from the Executive Engineer on payment of annas four per form. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a treasury challan for Rupees One hundred only credited to the Treasury to "17 (*a*) P. W. deposits" as earnest money and be superscribed "Tender for Restoring Horabyle minor tank near Konandur, Agrahar Hobli, Tirthahalli Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Chamundy brand cement should be used for the work.

14. A reserve of 5 per cent on the value of work done will be withheld from the bills towards the security deposit.

D. A. HUKERI,
Executive Engineer.

KADUR DIVISION.

Abstract Notification dated 4th April 1940.

The attention of the public is invited to the Notification published on pages 831-834 of Part VI of the *Mysore Gazette* dated 11th April 1940 calling for tenders for the work of constructing "a new pair of masonry settling tanks for Chikmagalur Town Water-supply" at Chikmagalur. The last date of the receipt of tender in this office is 25th April 1940.

C. NARAYANASWAMI SETTI,
For *Executive Engineer*.

ANJANAPUR DIVISION.

Notification dated 11th April 1940.

1. Sealed tenders will be received at the office of the Executive Engineer, Anjanapur Division, up to 3 P.M. on 10th May 1940, for Restoring Muthige Jagalikatte, Major Tank Register No. 834, Shikarpur Taluk.

2. Tenders in the prescribed form obtainable on payment of Re. 0-4-0 per form from the office of the Executive Engineer, Anjanapur Division, should be addressed to the Executive Engineer, Anjanapur Division in a sealed cover and be superscribed as "Tender for Restoring Muthige Jagalikatte, Major Tank Register No. 834, Shikarpur Taluk". The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a duplicate challan for having credited into the Treasury the deposit amount of Rs. 680 under "17 (*a*) P.W. Deposits" or Mysore Government Bonds duly endorsed at face value or market value whichever is less as earnest money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present on 10th May 1940 at 3 P.M. The final acceptance of the tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute an agreement in the departmental Schedule Contract Form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force, will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted, along with an application to the Executive Engineer.

8. Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, Anjanapur on all working days between 8 A.M. and 5 P.M. and may be obtained from that officer on payment of Rs. 3 for each.

9. Specific rates should be given for each item in the schedule accompanying the tender, and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of. The rates for such items may be entered in a separate schedule with date and reasons for the same.
